Abstract

Lord prof PhD Momtchil Dobrev-Halachev developed 2010 "Financially banking resource-based technological mafia-driven materialism" as a based principle materialism since more than 17 century. 2008 "Theory of generating of crises", 2010 "Theory and practice of the Mafiotismus" and 2001 "Theory of the mafia". Using these theories, conclusions are drawn about the implementation of the GREAT RESET proclaimed and realized by the elite, plutocracy, the world mafia as a method of imposing a new world order - The new holocaust, genocide and dictatorship of digital Mafiotismus.

Keywords: Pandemic, Great Reset, New World Order, Mafiotismus.

INTRODUCTION

In the year 2010 Lord Prof. Momtchil Dobrev developed the 'Theory of Mafiotismus' as a new state niveaou based on private and personal interests of the prime-minister, ministers, government .. Based on this "Theory of Mafiotismus" Lord Prof. Momtchil Dobrev developed 2010 the "Financially banking resource-based technological mafia-driven materialism" as a based principle materialism since more than 17 century. In the year 2001 Lord Prof. Momtchil DObrev developed the Theory of the mafia and Theory of corruption. All the both theories has been developed by analyzing the mafia and the corruption all over the world. In this paper, a full legal, economic, analysis of pandemics is made as a method of GREAT RESET for the imposition of a NEW WORLD ORDER by the elite, oligarchy and plutocracy and the world mafia in this pandemic.

Introduce the Problem

In reality, for the correct understanding of GREAT RESET as a plan for realization and introduction and imposition of a NEW WORLD ORDER by the elite, the oligarchy, the plutocracy and the world mafia, a full and complex study, analysis of the situation, analysis of economies and impact must be carried out. of the pandemic on them, analysis of the different types of societies and the impact on them of the pandemic on societies, social systems, on health systems. An analysis of the pandemic, its occurrence, causes, preliminary actions and various programs must be made.

Revealing the real causes, goals for GREAT RESET as a method of imposing a NEW WORLD ORDER - THE NEW HOLOCAUST, GENOCIDE AND DICTATORSHIP OF DIGITAL MAFIOTISMUS - The New World Order

The developed by Lord Prof. Dr. Momchil Dobrev theory and practice of mafia and financially banking resource-based technological mafia-driven materialism cover the real process in all countries, in the nation, in states, all over the world and

how the representatives of this materialism actually act only with purpose profit for them, and losses for third parties and companies, nations, peoples. It is a process of governing the world by the elite, the oligarchy and the plutocracy. The COVID 19 pandemic broke out in 2019, and the subsequent actions and consequences prove that a plan for the introduction of a NEW WORLD ORDER is being realized through the so-called GREAT RESET proclaimed by the oligarchy and the mafia in the world.

RESEARCH METHODS

Research methods of the plan of the elite, oligarchy and plutocracy for the introduction of a New World Order and its GREAT RESET method for its introduction. dynasty, the United Nations, multinational companies such as British Petroleum, Microsoft and others. Schwab is an economist, professor at the University of Geneva, who participates in the meetings of the Bilderberg Club. At the May 2020 online conference of the World Economic Forum, Klaus Schwab and Prince Charles, the son of the beautiful Elizabeth 2, introduced the term "GREAT RESET", according to which capitalism must be reworked. Prince Charles talks about "commercial capitalism" The COVID 19 pandemic is considered by them as a unique chance to restart the whole society and planet.

- It cannot but be done quickly, but if such a process is launched, it must be continued until the actual final realization of the project is real for a New World Order.
- In June 2020, a title appears on the SIF website - THE GREAT LOCK.
- Separately, Klaus Schwab also published such a book with such consent - "COVID 19 - DUGRAY RESET. In the book, Schwab and his co-author state that the fourth industrial revolution will "lead to the merging of our physical, digital, and biological identities."
- He describes that implant microchips will be able to read even our thoughts.
- Canadian Prime Minister Justin Rudo defines the pandemic as an "opportunity for zeroing".
- Another key part of the "Great Zero" or "Fourth Industrial Revolution", according to Schwab, is the merging of man with machines.
- These declarations are joined by Joe Biden, Boris Johnson, Justin Trudeau, and companies such as Amazon, Apple, Corner, Facebook, Microsoft.
- Herbart Wells' 1928 book describes the "open conspiracy".
- In reality, the COVID 19 pandemic is a kind of proven conspiracy.

According to Schwab:

1. A pandemic is a "unique window of opportunity" for a person to be introduced in the future. We will never return to normal life.
2. The "bright future" is a world in which there will be no difference between rich and poor, state borders will be erased just in time, borders, states will disappear, private property will disappear. Schwab says that because of the pandemic, which forces us to isolate ourselves at home, our affection for our loved ones, family members and friends is increasing. The disadvantage here is that growing patriotic and national feelings, and dark religious beliefs, ethnic preferences.
3. The economy in a "wonderful new world" must be governed centrally by giant monopolies, private property will disappear, and its place will be taken by the "economy of use" and the "economy of participation." There will be no money, only digital currency.
4. There will be a transition to "green energy", which will replace hydrocarbons.

Will have:

- Restriction on water consumption
- Limitation of electricity
- No 'environmentally hazardous species in products / meat and others.
- There will be no industrial products / and need for cars /

- This will reduce demographic growth
- This will cause population decline
- Schwab states: "The lower the demographic growth, the greater the risk of a new pandemic!"

5. Workers will be rejected in all spheres of economic and social life. The "big restart" speaks of the abrupt closure of jobs. By 2030 - 82% of jobs in restaurants, 75.5% of jobs in trade, 59% of the entertainment business will be reduced. The vast majority of businesses will be automated. Up to 75% of restaurants can go bankrupt due to blockage and subsequent social distance. The program includes the introduction of an unconditional basic income for people. Humans will be replaced by robots. They will have occupations and jobs if they themselves are vaccinated.
6. Digitization of all spheres of the economy and society - a system of monitoring, control, tracking, controlling every person and sanctioning every person who violates orders, regulations and others. This is needed to end the pandemic. A global network of digital surveillance needs to be set up, which data will be processed by supercomputers. It is no coincidence that supercomputers are installed in specific countries of the European Union.
7. The new model of life provides for regular testing, mandatory vaccination, issuance of sanitary passports. Boundaries of life will be established. There will be punishments for those who avoid correct and modern dictates.
8. In the spirit of transhumanism, one should be "improved."

Schwab proposes a program of global dictatorship in the interests of transnational companies and transnational capital. This plan and program was announced in 2016 under the name - Global Redesign Initiative - Global Recharge Initiative. The program was developed and presented in 2016 in Davos.

In his book, Schwab discusses the following goals:

The transformation of the world into a digital concentration camp. Currently, the World Economic Forum and the Rockefeller Foundation are promoting and promoting the global digital travel passport - the Common Pass. They want and aim for a digital passport to become mandatory. Rockefeller's roadmap includes testing, tracking, controlling those infected and those who are not infected at all times, and warning offenders. they also aim at imposing an immune passport. A test site for this immune passport and common pass can currently take place in the UK. The advantages of this passport are that those who have a negative test can visit restaurants, public places, hotels, According to the Daily Mail, two British companies have received an order to create such a platform for smartphones. They call this passport the "passport of freedom." All information will be collected in one computer and will be processed. Ie the placement of digital collars is proposed. The World Economic Forum and the Rockefeller Foundation are launching a "Common Network of Trust" in this regard, which will contain this information about people. It is no coincidence that supercomputers are installed in specific countries that will manage this data, namely - Italy, Bulgaria, Slovenia, Finland, Portugal, the Czech Republic, and other countries that will actually manage these processes. ...

Harvard University is also developing a "Roadmap for Pandemic Sustainability" presented in April 2020. This is an operational plan program to imprison people for "their safety"

in temporary detention cells. Klaus Schwab, president of the World Economic Forum, which includes Windsor, and the United Nations, British Petroleum, Microsoft and other billionaire companies introduced this term in 2020. develop this GREAT RESET with the following these:

First thesis:

In reality, this great RESET makes a geopolitical and geo-economic reset of the whole world and will cause total changes in:

- "Sustainable development" - where there is a market economy there is not and cannot be sustainable development
- "Global governance"
- capital markets
- Human rights
- Gender equality
- LGBTI, racism systems
- International trade and investment
- Tourism, travel industries
- Blockchain, 5G, robotics

The Great Reset announced in May 2020 at the World Economic Forum by Klaus Schwab and Prince Charles introduced this term. He must make the change, because capital is experiencing a global crisis - and it must be changed. Prince Charles speaks of "responsible capitalism" radically different from the old "capitalism. The pandemic of COVID 19 with its Lockdown provides a convenient unique opportunity for such "recharging".

Second thesis: Lockdown must be continued, this is supported by Joe Biden, Johnson and Trudeau for a "new world order" and a recharge of the good old capitalism. Supporting companies include Amazon, Apple, Facebook, Microsoft, Google, and other multinational companies and corporations. This confirms that this is a kind of conspiracy similar to the one described by Herbert Wells, "The Open Conspiracy - / Open Conspiracies. The Great Reset is one such conspiracy and strategic intelligence platform "a dynamic contextual intelligence system. This is a platform whose promoter put a crossover and a penetration of Kovid - 19. According to them, COVID 19 is a unique "window of opportunity".

Schwab states: "Many ask when will we return to normal life?" The answer is short - never. Human history is divided into two parts: before the coronavirus and after it.

Schwab: "The issue of world government is at the heart of all issues."

Third thesis: The pandemic must reshape the world and the world must be ruled by centralized giant monopolies, Private property will be replaced by "economic consumption" and "participatory economy".

Fourth thesis - There will be a transition to "green energy" which will replace hydrocarbon.

Fifth thesis - In the context of the forthcoming in the 6th technological wave, the robotization in all spheres of economic and social life will be completed.

Thesis 6 will continue digitalization in all spheres of economic and social life.

Thesis 7 - the new model of world health care provides for continuous testing of the population and mandatory vaccination and issuance of a medical passport

Thesis 8 - Humanity will be perfected in the spirit of transhumanism.

The 4th Industrial Revolution - conceived back in December 2015, was chosen by the SIF for the new futuristic scenarios.

The pandemic gives a unique chance to restart the planet and capitalism.

- If you cannot do quickly, but it must be extended.
- In June 2020 a title appears on the WIF website – GREAT RESET.
- This information is joined by Joe Biden Boris Johnson, Justin Trudeau, and companies such as Amazon, Apple, Corner, Facebook, Microsoft.
- Herbert Wells's 1928 book describes just such an "open conspiracy".

The fourth industrial revolution - conceived in December 2015 and chosen by the SIF for the new futuristic scenarios is part and reason for this plan. The big restart covers over 50 areas of science and practice. From the recommendations for economic recovery, to sustainable business models, from environmental restoration, redesign of social arrangement.

- "Sustainable Development"
- "Global governance"
- Capital markets
- Climate change
- Biodiversity
- Human rights
- Gender equality
- LGBT
- Systemic racism
- According to Klaus Schwab - the "golden opportunity" of the subdemia must be used now.
- "Covid 19 accelerated our transition to the era of the" 4 industrial revolution "and is an excellent opportunity for a restart, more polarization, nationalization, racism, growing social tensions and conflicts.

The Chinese community with shared interests. This is really a project for digital neo-fascism. Journal of Virology Journal - Dr. Fauci that chloroquine is a potent inhibitor of infection and spread of ARS coronavirus " According to Schwab, the "Great Reset" will include a "merger of physical, digital and biological identification." Transhumanism is part of the GREAT RESET, microchips will be able to read people's minds. As developed in the second book is the book of Klaus Schwab - Shaping the future of the 4th industrial resolution. Through nanotechnology we will be able to read people's thoughts, to influence people's behavior, to enter our thoughts in the program for the big reset.

Is the "reset" unsuccessful and will the global world lose?

Those committed to this process and the Great Reset Project have been dug up.

Narcopaths live in their own small world, in which their desires and fears, dysfunctions are normalized. They think and believe that they are superior to all other people, they have no conscience and empathy. They think they will deceive the "stupider" and have an obsessive need to control, corrupt and destroy. They drain morality from society, destroy freedoms and affect freedom of movement.

1. Globalists are open to disclosing the agenda in which they are considered "untouchable." In 2021, the elite must think that nothing can be done to stop the machine. They are outspoken in their calls for global reset and the creation of a cashless society, totalitarian locking and total surveillance.
2. The globalist push for a "New World Order" is a double-edged sword can destroy the entire planet.

Event 201 is a "war game" hosted by globalists from the World Economic Forum and the Bill and Melinda Gates Foundation. The scenario is an epidemic of a coronavirus pandemic that will kill 65 million people. The simulation actually took place several months before the pandemic itself appeared in November 2019. Social models are currently being used to censor or limit all new and new arguments and evidence against the pandemic.

- Klaus Schwab - The World Economic Forum applauds the pandemic as the "perfect opportunity" to establish a "reset4 for,,"
- Unfortunately, the mortality of Covid 19 is not so great, it is below 1% - 0.26%.
- Over 40% "of deaths are from people with other diseases.
- The mass media are on their side, on the side of the oligarchy and plutocracy that organized this pandemic.

Schwab also goes on to explain his book "Shaping the Future in the Fourth Industrial Revolution", a book that was especially popular in China, South Korea, and Japan. In particular, the South Korean army has ordered 16,000 books. In this book, Schwab explains how government, because of emerging technologies, will allow them to "enter the current personal space of our thoughts, read our thoughts, and influence our behavior." Schwab praises the utopian dream of transhumanism, which is shared by all people of the elite and the oligarchy and plutocracy, which ultimately leads to the creation of human cyborgs.

Schwab states: "The technologies of the fourth industrial revolution will not just become part of the physical world around us - they will become part of us. Indeed, some of us already feel that our smartphones have become an extension of ourselves. Today's external devices - from laptops to virtual reality helmets - will almost certainly be implanted in our bodies and brains. Schwab openly preaches about the implantation of chips - "active microchips for implantation that cross the skin barrier of our bodies." He praised the advent of chipping: "implanted devices that will probably be able to transmit thoughts, but not verbally, as is usual now, but through a built-in smartphone, and probably (will transmit) unexpressed thoughts or moods, reading brain waves and other signals". Is it about "merging our physical, digital and biological identities". Is this associated with the transhumanist singularity, and a future in which man will be constantly monitored, his thoughts will be read by the

implanted microchip. The crisis with the COVID-19 attack creates an opportunity and conditions to carry out the GREAT RESET".

John Rapoport - Gene Therapy and the Plan for Transhumanism

Kyle Mankitriquet published an article in Discover magazine entitled "When will transhumanism occur? Seven conditions for its realization".

1. Dentures are preferred
2. Improved brain
3. Artificial helper
4. Incredible longevity
5. Responsible reproduction
6. Your body is mine, your choice is mine.
7. Personalities, not people

Microsoft patent system for income against "approved" thoughts and bodily reactions. Bill Gates and the World Bank create digital identification. The World Health Organization and the government support "their own irresponsibility" and lead to the goal of "temporary detention" - and closure can be permanent.

THE VATICAN ENTERS INTO A "GLOBAL ALLIANCE" WITH THE ROCKEFELLER FOUNDATION, WITH ROTHSCHILD, TO CREATE AND IMPLEMENT A "GREAT RESET"

Pope Francis has announced that he will join the "Global Union" with the world's largest banks, international corporations, global funds to create an economic world called the "Guardians" redistribution of wealth around the world.

Reorganize the whole world and move to a transhumanist socialist world order that will destroy private property and currency. "The Guardians is a historic collaboration between the leaders of huge companies, the global leaders who work with the moral leadership of Francis to take advantage of business opportunities forever." I am responsible for challenging Pope Francis to create a more inclusive economy that more equitably distributes the benefits of capitalism and allows people to reach their potential." Companies supporting this board are Visa, MasterCard, Bank of America, BP, Ford Foundation, Rothschild, UNO. The Council for Inclusive Capitalism is a pro-capitalist organization in order to create a stronger, more just and cooperative economic society". Guardians will take responsibility by taking a list of planned actions, as, dealing with environmentalists, social is problem management. World Investment Forum, UN, calls for GREAT RESET Great reset. The crown is a distracting approach to mastering the financial system.

According to Klaus Schwab, "the golden opportunity is to use the COVID pandemic 19.

- "Kovid 19 accelerated our transition to the era of the" 4th Industrial Revolution "
- Excellent opportunity to restart
- More polarization, nationalization, racism, growing social tensions and conflicts.

In the journal Virology Journal, Dr. Fauci said that chloroquine is a potent inhibitor of infection and the spread of ARS coronavirus.

"The Great Reset will involve a 'Merger of physical, digital and biological identification.' Transhumanism is part of the GREAT RESET, microchips will be able to read minds.

- Bill Gates states: "There are 6.8 billion people in the world today. If we now work well on the new vaccines, we will be able to reduce them by 10-15%."

David Rockefeller: "The negative impact of the population of our entire planetary ecosystem is becoming terribly obvious.

Jacques Cousteau: "In order to stabilize the world's population, we must destroy 35,000 people a day."

Ted Turner, founder of CNN: "The entire population should be between 250 and 300 million people, a 95% reduction from the current level would be ideal."

Prince Philip Duke of Edinburgh: "If I am reborn, I would like to return to Earth as a killer virus to reduce the human population."

Schwab states: "If globalization expands, then there will be no place for nation states." In all freedoms will be taken away, all the achievements of democracy will be erased, all rights and freedoms of citizens will be erased and taken away. Everything will be decided by unknown experts appointed by the oligarchy and plutocracy who will decide, will manage the processes. These experts will actually be appointed by globalists, by global corporations. Rothschild patented a method for testing covid 19 back in 2015.

The second registration in the United States took place in 2010. A Memorandum 200 was signed in 1974, also known as the Global Report 200, prepared by a group led by Henry Kissinger / US Secretary of State 1973-1977. The document declares depopulation in the world as a major strategic task of the United States. An official statement from Henry Kissinger: "Depopulation should be the first concern of the US State Department regarding the Third World." According to the Kissinger-led report, the world's population should initially be reduced to one and a half billion. An American tinker published a study that the pandemic did not destroy society as much as the quarantine measures themselves. Schwab insists that these quarantine measures be continued, in order to effectively dismantle and destroy society and all its systems. This request of Schwab is proof of the real search for a result and the implementation of the plan for DIGITAL MAFIOTISMUS.

THE WORLD HEALTH ORGANIZATION AND ITS PARTICIPATION IN THE WHOLE PROCESS OF THE COVID 19 PANDEMIC AND THE "GREAT RESET"

The World Health Organization has been involved in this process from the very beginning. The World Health Organization was formed in 1948. and is a special UN agency. The WHO emblem shows the serpent Moses wrapped around a wheel, a symbol of the "all-seeing eye", on the image is a flat earth surrounded by two wheat ears, a symbol of the harvest and 9 people. There are 13 elements in each wheat class, a symbol of the 13 "tribes of Israel." These are 13 Illuminati families. At the 63rd meeting of the World Health Assembly was prepared by the Secretariat and the World Health Organization, selectively announced voluntary donations for

2008-2009. According to the report, the US government provided \$ 424.5 million and the Bill and Melinda Gates Foundation \$ 338.7 million. Donors in the Global Alliance for Vaccination and Immunization GAVI with \$ 85 million is the Gates Foundation, the Gates Fund donated more than \$ 1.14 billion from 1999 to 2009. . While the US government has donated only \$ 569 million for the years 2001-2009. For 30 years, human rights organizations and various other such activists have accused UNICEF and the World Health Organization of a planned campaign to sterilize the population in various countries using vaccines for various diseases. For example, in 1993. A scientist from the Innsbruck Institute for Biometric Research of the Austrian Academy of Sciences and scientists and the World Health Organization are developing birth control vaccines. 2004 Nigeria is boycotting a vaccine produced accurately for sterilization. The vaccine contains estradiol, a form of the hormone estrogen. This hormone leads to infertility. 1992 The World Health Organization excludes "homosexuality" from the list of diseases and gives real reasons and grounds for spreading genderism. 2009 The World Health Organization is preparing to release 4.9-5 billion flu vaccines. The Catholic organization "Mexican Committee for Life" organized protests. The Rockefeller Foundation, working with the World Bank, is working jointly with the United Nations Development Program, the Hford Foundation and others to develop contraceptive vaccines. The World Health Organization has the right not only to make recommendations, but also, as usual, to request and issue orders to states. On January 30, 2020, the World Health Organization declared a state of emergency without justification for only 34 infected and 1 deceased.

The data are as follows:

On 31.12.2019 the first 27 infected appear in China - in Wuhan
 On 11.01.2020 - 1 died in China
 On 20.01.2020 - 1 infected in South Korea
 On 22.01.2020 - 1 infected in Thailand
 On 24.01.2020 - 2 infected in France
 On 25.01.2020 - 1 infected Austria
 On 26.01.2020 - 1 infected Canada
 On 28.01.2020 - 1 infected Germany
 On March 11, 2020, the World Health Organization declared a pandemic.

The Global Vaccination Summit event took place on September 12, 2019 in Brussels. The main organizers were the World Health Organization and the European Commission.

CHIPPING AND NANOPARTICLES

Each will be connected to the 5G network with supercomputers that will control and manage it. In this way there will be constant control over his personality and life. The chip will transmit all personal data. Nanoparticles or nanopots will be able to control any part of the human body and change DNA through the 5G network. The chip will receive frequencies broadcast from the network 24 - 90 GHz. With the help of the chip and the network, cryptocurrency will be dug. In the case of disobedience to a person with a chip, nanoparticles can give commands to the heart or brain, to cause a heart attack or stroke. Each will be marked with the number of the Devil - 666, as written in Revelation 13. Vaccines will be imposed by terror. Vaccines will contain nanoparticles. With settings the nanoparticles will be able to

attach to molecules from other coronaviruses. The nanoparticles are 25 nanometers in size and so small that once injected, they pass through the skin's intercellular lattice and repair their way to the lymph nodes. Within minutes, they reach a concentration thousands of times greater than those in the skin. The nanoparticles in these vaccines can be directed so that they move quickly in the desired direction and force the human biological cells to move and grow in certain directions. As early as 2009 Researchers at the University of London have developed "micro shuttles" that can be injected during vaccination and deliver drugs to living cells. A microscopic chip should be built into these nanoparticles, which will automatically control the dose of drugs. The release of substances can also be separated by an external command - from a doctor or another, ie. individual micro-therapy is created. The biggest advantage of using such micro capsules is that they are designed to be very stable in the human body, which protects their contents. These capsules can be used as repositories of drugs in the body for later use. Whoever manages the technology will actually manage human health. Ie different drugs for specific cells can be released. Ie nanoparticles in vaccines can repeatedly increase their action, or improve or devastate human immunity. Chipping and vaccination are linked in one process. The justification was that chipping was necessary for vaccination. vaccination becomes a means of chipping.

The digital identification of the person has been considered since September 11, 2001. digital identification of the person by embedding an electronic microchip in the human body. In this way man can be governed. If signals are sent about the microchip, the chip can cause pain, blurring of the mind, blindness, deafness and others. Ie this can allow a human to become a biorobot or a cyborg. Nanoparticles that are vaccinated into the human circulatory system will travel and move throughout the human body. Each vaccine for Covid 19 will be equipped with Pentagon nanotechnology. DNA nanotechnology developed by the US Department of Defense and the scientific institution DARPA. On March 12, 2020, INOVIO Pharmaceuticals announced that it had received a new \$ 5 million grant from the Bill & Melinda Gates Foundation to accelerate testing and manufacture its own CELLECTRA 3PSP smart device for intradermal / subcutaneous / delivery of the INO-4800 - DDDNNA vaccine for COVID -19. Ie this proves that the vaccine is ready before the pandemic. Ie Even before the "state of emergency" in connection with the pandemic was declared in Western countries, the co-financing of the special device needed to deliver this vaccine to the human body was announced. The question is why a special device is needed. As early as March 12, 2020, the working name of the vaccine, which has already been produced, is known - INO-4800, which vaccine is planned to move to phase 1 for clinical trials in the United States in April 2020 with additional funding of \$ 9 million. Ie Bill Gates funded a device to inject the vaccine. He also pays for the vaccine itself. CEPI = - through another of his organizations -

Separately, the European Commission has already contracted with Bill Gates and has raised € 8 billion. .e. Bill Gates and the Pentagon will make huge profits with funding. The initial development of CELLECTRA 3PSP began in 2019 with a grant of \$ 8.1 million from the medical branch of the Medical CBRN Defense Consortium U.S. Defense Threat Reduction Agency (DTRA). The coronavirus was created in 2015 in the

US National Laboratory + Galveston at the University of Texas.

7/. UN DOCUMENT ON A NEW WORLD ORDER of 2001

The complete plan for the GREAT RESET

In fact, plans have been made many times to impose a New World Order. Here, however, we will not mention dates and persons involved in the imposition of a New World Order.

Here we quote the opinion of Henry Kissinger:

"Once the herd receives the mandatory vaccination, the game is over! They will accept everything! Control the thinking of the sheep and you will control the flock. Vaccine manufacturers make billions, and many of you in this room today are investors. This is a big profit! We dilute the herd and the herd pays for the services provided for their destruction. Now, what is there for lunch !! " They must all be vaccinated and chipped first! Then they can go outside! - Bill Gates

The beginning of the Cold War in 1947 - Alan Foster Dulles - the first head of the CIA - said:

"We will throw all the gold of the United States, all the power of the United States to deceive and fool the people of the socialist world. Unnoticed, we will replace human values with false ones. HOW? We will find like-minded people in these countries and Russia. We will carry out grandiose decomposition work, we will extract the social essence of literature, we will encourage authors who instill in man a cult of sex, violence, sadism, betrayal - that is, immorality. We need writings that ridicule naturalness and integrity, such as archaic obsolescence, simplicity, impudence, lies and deception, drunkenness and drug addiction, animal fear among people, shamelessness, slander, and many other vices in man. In this way we will shake generation after generation, we will cause erosion and corruption of the youth. We will create a person with a consumptive psyche of an elementary user. We will do all this under the motto PROTECTION OF HUMAN RIGHTS and CIVIL RIGHTS. The new world system according to Rockefeller March 20, 1969

The realities are different - replacing the system of wars with the creation of terrorism, another kind of enemy - Islamism, - Planned Parenthood

"Population reduction, permission to have children, new guidelines on the meaning of sex, sex without reproduction, the possibility of universal protection, sexual education among young people as a tool for world government, support for abortions with state funds to reduce the population , support for homosexuality, sexless reproduction technologies, family breakdown, euthanasia and the "death pill", restriction of access to paid health care to get rid of the elderly, strict control of access to medical services, elimination of private doctors, difficulties in diagnosis of new incurable diseases, difficulty of onco-treatment in order to reduce the population, causing a heart attack to eliminate people, early school education to accelerate puberty and evolution, merging of all religions, elimination of old religions, change of the bible, through revision keywords, school o education as a tool for indoctrination, prolonging school time without children learning something, controlling access to information, schools

as municipal centers, seizing certain books from libraries, legal changes that unleash social and moral chaos, supporting the consumption of drugs to create an atmosphere of "urban jungle", promoting alcohol consumption, restricting free travel, the need for more prisons, using hospitals as places of isolation, creating psycho-hospital and physical insecurity, using crime to manage society, limiting American industrial dominance, relocating nations and economies, uprooting social roots, socializing sports, sex and entertainment violence, implanting ID cards / microchips / food control, weather control, exploring more people in order to suggest what is required, falsify scientific discoveries, use terrorism as a basis for control". Television, which watches the individual, property ownership goes into oblivion, the advent of a new notarial system.

Here we will quote a speech from the speech of Muammar Gaddafi, the head of the Libyan Jamahiriya at the 64th session of the UN in 2009. who said the following:

"They will create viruses themselves and sell you vaccines after that, they will pretend that they need time to look for a solution, even though they already have it." Rudolf Steiner - "In the past, the Spirit was removed by decree of the church council, and the soul will be removed with pharmacotherapy. It will be easy to get a vaccine that will treat the body from the earliest childhood, even from birth, so that it becomes completely impossible for the human body to ever come to the thought: "I know that the soul and the Spirit exist!" GA 177/5 Here we quote the plan which is located and prepared at the UN and for which the plan concerns the period from 2021 to 2030. and is from 21.09. 2001 This plan was quoted by Rabbi Amon Yitzhak

For the beginning of this plan is specified -Special operation Corona virus

In reality, this program plan coincides completely with what is happening in 2020 with the declared pandemic COVID 19. The actions of the managers are proved by the fact that they implement this plan on each of the points.

COVID-19 program of the World Bank "Program for strategic preparation and response of Covid-19".

- It presents a strategy for responding to the "pandemic"
- It is neither a political nor a medical strategy
- Make a clear plan for mass testing,
- Make a vaccination plan
- Plan for mandatory measures
- Plan for preparation of insulation premises
- Proposal for the need to activate military support / NATO /

This program concerns the pandemic. Phase one will last until 2025. Phase 2 takes place depending on the outcome of phase 1, it creates a "narrow window of opportunity", which will oblige all countries to adhere to the measures is the plan. In second, third, fourth waves by 2025 are planned and expected from this plan. By 2025 to build full digitalization of all areas and industries, building a total society, and the inclusion of supercomputers. Such supercomputers are introduced on the territory of Euro area in Finland, Italy, Luxembourg, Portugal, Slovenia, Spain, the Czech Republic, Bulgaria. In this way the whole territory of the whole of Europe is covered. This really leads to digital feudalism, but in this article, in our opinion, it leads to DIGITAL MAFIOTISMUS. People should be imprisoned in global digital concentration camps. They will be deprived of all rights and freedoms.

The following will be developed:

- The digital economy,
- Digital money,
- Digital medicine,
- Digital education system,
- Digital court system.
- Digital social system
- Digital credit system for 24 control
- Digital biometric surveillance, controlling, sanctioning this

The plan must be completed by March 31, 2025. these are actually 25 projects that need to be implemented and implemented in the first phase of the program.

193 UN member states have been ordered to close their countries since January 2020. This order comes from the United States, from the World Health Organization, and from the World Economic Forum, from the Bill Gates Foundation. In fact, millions of people lost their jobs. Millions of people have lost their savings for life. Millions of people were left without the means to pay their monthly expenses. Millions of people were left without means of subsistence, to pay for themselves and their families. Millions of people have lost sight of the future. Millions of people have fallen into the ranking of the poor. Millions of people have already joined the unemployed, Millions of companies have gone bankrupt.

Where there was a middle class, it actually moved to the group of the poor. Millions of people isolated themselves. Millions of people fell into fear, hysteria. Millions of people were deprived of their livelihood. Millions of people have been deprived of the security they have created. Millions of people were deprived of their liberties. Millions of people were deprived of their businesses. Millions of people distanced themselves socially. Millions of people distanced themselves as a family. Millions of people have fallen into the realm of family conflict. Millions of businesses have closed their doors. Millions of people have isolated themselves from their families, from their work, from society. George Orwell's Prophetic Manifesto in the 1984 Book. There are facts about a real world dictatorship of the global Oligarchy. There are social, moral, ethical, civil and legal repressions. Thoughts and statements about imposing concentration camps in case of refusal of vaccination actually appear. This situation is legitimized as a social system of the future.

In reality, everything is built on the basis of exploitation and real fraud. There are real voices that Covid is a punishment for people's sins. As early as 2011, Pentagon scientists made successful attempts to combine viruses and create a superspecies that is fast, lightning-fast, aggressive, stubborn, elusive. This bio-engineering became available in 2014. . Because of these protests, Dr. Anthony Fauci relocated to the Chinese city of Wuhan. Of course, not for free, but by paying and transferring 3.7 million USD together with the full documentation. In 2011, then-President Barack Obama publicly announced his estimate of 60 million victims of a total and global pandemic that did not occur at the time. Apparently, however, this has been prepared for a long time. Millions of people are under stress. Millions of people are in fear. Millions of people are in a panic. Millions of people are subject to obedience. There is actually a conspiracy against all of humanity. 2010 try the version with the chicken flu. In 2014 in Los Angeles, 64 patients die vaccinated against an obscure virus about which there is no information and everything is classified. Since 2010, Bill Gates' doctrine of global vaccination has been imposed and disseminated. There are elements of a biodictatorship. And with certain frequencies, control over human consciousness can be exercised, and man can be placed under constant constant remote control.

The state imposes a paranormal subordination to the people. Social and moral deformations occur among people. There is a process of zombies by the media, which is close to the government. People swallow all possible and impossible totalitarian orders of the oligarchic dictatorship. At the same time, public finances are drained through and under so-called "emergency measures". The middle class of every country is really being ruined. It is through the state and the government redistribution of taxes and budgets in favor of companies close to the government. In reality, prices are rising dramatically. The state is realizing the liquidation of social programs for the people. The necessary and necessary for the treatment medicines disappear from the pharmacies. Ecosystem talk is present and recovering in countries. This hysteria, which aims again to distribute billions of euros and dollars between close companies, is constantly intensifying. In Europe, Erdogan's words about demographic Islamization are happening and are being realized. This also happens in countries such as France, Belgium, the Netherlands, England and other countries. The erasure, replacement, replacement, erasure of history, which Fukuyama was talking about - the end of history - is actually

being realized. Fear is becoming a fundamental method of managing people's behavior. People are deprived of normal communication and exchange of thoughts, ideas, feelings, relationships. People lose their moral and social senses to observe and understand the environment. Humans become controllable mice in the hands of the oligarchy. The oligarchy begins a satanic and sadistic trade with the most valuable thing in people's lives. This turns people into biomass without norms, ideals, goals, an objective view of life, without thinking, without moral and other values. People have really lost their personal identities. The opposition is deprived of the opportunity to react, to act, to be an active opponent. In reality, the opposition is depersonalized and destroyed and bloodless. Civil society is crowded. Civil society has been liquidated and does not exist.

The printing of money is in progress and at high speed. "Robbing budgets through so-called 'stabilization programs', business support programs, workers' programs. The hospitals are empty, the patients are treated according to incorrect diagnoses, and the deceased, based on various reasons, are entered in the statistics in the column "Kovid -19". Citizens are methodically taught that they must be vaccinated, otherwise they will not be able to travel, they will not be able to work, they will not be able to study. In reality, people are killed in hospitals who simply suffer from the flu. INFLUENZA disappears as a disease in the countries for the respective season - October - December. No one is talking about the flu and the flu epidemic anymore. In reality, there are circumstances for informational, social, medical neo-fascism. Many scientists, doctors, specialists, try to explain the real disease and spread their experience with the treatment of patients, but all this is not allowed either in the media or on social networks, it is silenced, removed, deleted. It is constantly proclaimed in the media that people will die like chickens.

However, everything revolves around money and the profits of companies. Profits are calculated for pharmaceutical companies in the billions, prices are constantly rising, drugs are deliberately disappearing from pharmacies, and are beginning to be offered on the black market. Even the oligarchy is obsessed with companies that produce either masks, or disinfectants, or other. Interest rates do not fall. The loans run without freezing the payments of interest, principal, loans, credits. At the expense of social benefits, if any, in the country concerned, the prices of all goods and services increase every day. Everyone has difficulty paying for basic family expenses. Everyone has difficulty paying the basic costs of electricity, water, gas, energy. The prices of the AKP tests are rising and reaching prices up to 10 times the price of delivery in the laboratories, reaching 190 euros. The oligarchy eastern public funds from the money of all citizens of the country. There is an escalation in the prices of basic necessities - food, medicine. Man is witnessing a psycho-bio-social-medical experiment of the oligarchy. The oligarchy aims at subordination and control of all humanity, of companies, of nations, of states. The virus is presented as "God's punishment" for the sins of mortal citizens. And all this without war, without revolution, without a planetary disaster, or even an economic crisis. The theft of people, of companies, is legitimate and legal. People are separated from the real social environment. Death is imposed as something normal and institutionalized by the government and as a regulator of social relations. Preaching "suffering and death" is as normal as

behavior and social and social environment. Stress and fear become a normal internal organic state of citizens. There is a world dictatorship of the global oligarchy. There is state and corporate fascism. The pandemic is seen as a key element of the "FINAL DECISION", the goals of oligarchy and plication to reduce the planet's population and digital slavery. In reality, the virus is a bio-psycho-social weapon of mass destruction. The oligarchy really uses all kinds of propaganda tools to implement its plan - causing stress, instilling fear, falsification, manipulation, provocation, silencing the alternative and different opinion and decision, not giving air time to people and professionals with alternative and different opinions and opinions, not giving airtime to people who have succeeded in treating the virus to share the way and type of treatment, hiding information about which drugs are useful to fight the virus, deliberately denying alternative methods and treatments, not allowing airtime in the media of experienced professionals. Silencing, belittling, eliminating the alternative opinion and decision. Misinformation and spitting and denial of alternative medicines is an old method of kleptocracy and oligarchy.

In reality, this is a crime against humanism, humanity, morality, democratic values, democracy, the rule of law. The goal is money. Profits are mostly for pharmaceutical companies, for social media companies, and companies, social networks, and online commerce mostly for food, drugs. There is the Holocaust and the Genocide, DICTATORSHIP, BIO-eco-psycho-social demographic cleansing and destruction of redundant people. The goal is to clear the planet of unnecessary 4-6 billion people. The goal is single control of the planet's resources - water, air, land, natural, economic and financial resources. The climate hysteria that we have published and proved to be a fraud, with the ultimate goal of stealing billions of money for the oligarchy in another of our articles, is part of the plan. This is a breakthrough in genetic engineering to be used against humanity. There is a digital bioterrorism. Social and moral repression in a real digital concentration camp. The Holocaust is actually taking place for "disinfection", "sanitation", "cleansing" of our civilization. This Holocaust is being realized and promoted under the motto of climate change. The current process is a kind of gentle dictatorship compared to the state totalitarianism of the last century through the daily brainwashing of citizens. as the Covid 19 pandemic really replaces and replaces war of a new thord world war, this is a new hybrid military strategy.

This strategy is from the last 30 years in which the oligarchy of the United States and the WEST after the end of the Cold War, threw huge efforts and resources to zombie, regulate, reformat, re-educate, retrain the population to get an amorphous mass that is easy to manage and without problems. The American doctrine of the "American consensus" actually set the goals for the realization of the geopolitical and world goals of the oligarchy. The capital of the WEST - the United States and Europe - has cleansed and eliminated its opponents by destroying education, health care, pension systems, social systems, civil society, the intelligentsia, The oligarchy of the WEST - USA and EUROPE poured instead of money as they poured into the Marshall Plan after the Second World War, after the collapse of the Eastern bloc, instead of economic recovery they poured huge money for "non-governmental" organizations for culture, science, sociology, "decommissioning" ", Sterilization, ubiquitous brutal Americanization. The oligarchy erased the achievements of state socialism, education, health care, social system.

Huge funds from Soros and state funds are directed to non-governmental organizations, foundations, associations, academic formations, government projects of the State Department, projects of the Pentagon, CIA formed by his order. Real recruitment of agents and collaborators to influence the managers and leaders of the society in the country, special media and marketing projects, active events, disinformation and others. For three decades, an irradiation has been carried out, zombies of citizens on oligarchy-related media, denying the achievements of communism, erasing history, rewriting history, erasing part of history, erasing important events characterizing the respective country, replacing history most Already on the Second World War, replacement of the whole history and the important events that characterize the respective state, amnesty of fascism,. All information is presented under the censorship of American political and economic and geopolitical interests. In the same way, substitutes such as homophobia, homosexuality, and genderism are proclaimed and promoted. This led to the replacement of normal human values with the population with tablets, mobile phones, smartphones, and complete control through its digitalization and control and subordination. In reality, the oligarchy has turned the majority of humanity into an amorphous mass of only meaningless, unprincipled, immoral users, dependent on social networks - Facebook, Instagram, Twitter. This was for the citizens the sacred consumption - the digital world, from which they become more and more dependent, limited, enslaved. Citizens have become mass digital users who are reconciled to everything that happens around them and who are not interested in the problems outside them, in society, in the state. Citizens have become absolutely selfish, closed in their digital world, without any feeling and attention and respect for their fellow citizens. Young people have actually been reformatted and nullified, because without the possession of values, morals, experience, they are directed to the easiest option of their existence.

THE GOAL OF THE NEW WORLD ORDER IS TO CREATE AND IMPOSE DIGITAL MAFIOTISMUS WITH ELEMENTS OF A NEW HOLOCAUST, GENOCIDE AND DICTATORSHIP

The theory of Mafia was created by Prof. Momchil Dobrev. Here we quote only the Formula of Mafia, which is the basis of the new Holocaust, genocide and dictatorship Digital Mafiotismus of oligarchy and kleptocracy.

FORMULA OF THE MAFIOTISMUS

The most simple model of the mafia which describes the factors which influence about the amount, type, and etc, of the mafia is the following:

MAFIOTISMUS = PERSONAL Power / on the top of the state institutions / state and etc./ + Influence + Connections / to personal, private companies + Interests / personal, private, corporative / + ORDER / ORDERS + Personal Management of all state neveaus + Personal Control of all state niveausMafia structure / inside of or outside / + Monopolity Riegths + laws / rules / practices / procedures + possibility of taking an alternative decision - obligation - responsibilities - morality / ethics + Personal management and personal control of Distribution of public state monetary and another resource.

The mafia is also available for the public and private sector. The power of the mafia and the corruption practices in Greece in the public sector are very stark.

CONCLUSION

In this article we have proved beyond doubt that the COVID 19 pandemic was carried out, organized, managed for the sole purpose of imposing a New World Order in the form of DIGITAL MAFIOTISMUS with elements of a new Holocaust, genocide and dictatorship. We have proven that the Great Reset is part of this process.
